

Berliner Allee.112.Weißensee

Dearest Berlin friends,

A wonderful young Australian ensemble, Quiver, is in town and so I am having a small gathering at my place in Weißensee where they will premiere a brand new work of mine, 'Not Even Music'. This is the latest in a series of works employing watercolour as graphic music notation.

Quiver Ensemble:

Rebecca Lane (flute)

Aviva Endean (clarinet)

Jon Heilbron (bass)

Matthias Schack-Arnott (percussion)
